

Planning for the Future of Your Farm

Do you understand how the Present Use Value tax program works and how it is affected when property is transferred?

Is your family prepared for expected changes in estate and income taxes?

Do you want to make sure your family is well cared for and able to make good decisions about land and other assets?

It was your grandfather's farm; now make sure it will be your grandchildren's farm

A two part series of workshops at the NC Cooperative Extension Craven County Center will provide information you and your family can use to chart the future of your farm and land assets. Registration is required.

**Workshops will be held at the NC Cooperative Extension Craven County Center
7PM to 8:30PM**

**May 30, 2013 – Topics: Present Use Value Tax Program
Forest Management: Protecting Your Investment**

**August 29, 2013 – Topics: Tax Update and Estate Planning
Farm Transition Planning and Strategies**
