Working Forest Summit for North Carolina Landowners

Improving Forest Health - Building Family Wealth

Monday, August 10, 2015 / Carthage, NC

About the Summit

Interested in improving forest health while building family wealth? If so, register for the Working Forest Summit on August 10, 2015. Forest professionals and landowners will cover topics including:

- The Taxing Business of Forestry
- Growing for Value and Selling for Profit
- Longleaf Pine Restoration
- Benefits of Prescribed Burning
- Lessons Learned From Landowners

Attendees will receive materials on forest management and the opportunity to network with landowners and forestry professionals.

The Summit is made possible through the partnership of the University of Mount Olive Lois G. Britt Agribusiness Center, NC Forest Service, NC State University Extension Forestry, NC Woodlands, and USDA Risk Management Agency. The NC Tobacco Trust Fund Commission provided funding support for the Working Forest Summit.

Speakers include longleaf pine specialists, NCSU Extension Forestry faculty, NC Forest Service personnel and successful family forest landowners.

Register to Attend

Advanced registration is required as seating is limited to 250 attendees. Private landowners attend at no charge and professionals seeking continuing education credits will be charged \$90. A meal will be provided. Landowners and others interested in attending can register one of three ways:

Website: <http://www.ncsu-feop.org/landowners/>
OR

Phone: Extension Forestry at 919-515-5065
OR

Fax or Mail: See registration form to the left.
